

# Orchid Isle Dog Agility

Is pleased to offer a presentation about the *One Mind Dogs* training technique by

*Beth Hostetter* of Rochester Minnesota, as she passes through Hilo this February!

Join us on Saturday February 9<sup>th</sup> 2019 at Sandy's house in Hilo (directions below). The presentation will begin at 1:30pm and is expected to last two hours.

The One Mind Dogs method is all about understanding agility from the dog's view point. Beth has worked with handlers that cannot make course time, and when they start "speaking dog" their dogs speed up and gain confidence. She has seen high strung dogs quiet down and watch their handler. Beth will share how the method was developed and describe the different elements of body language that dogs respond to. She will also show some videos.

This will be an informal get together to talk to Beth and learn from her. It is more about humans than about dogs and you are encouraged to leave your dog at home, however if you need to bring your dog bring a crate also; all dogs will be crated. There may be limited demonstrations using a single jump, no course will be set up.

Space is limited and it will be filled first come first served, with priority given to OIDA members. To reserve your spot email Sandy by January 28<sup>th</sup> at [vierrett@gmail.com](mailto:vierrett@gmail.com). There will be no charge to attend. A \$5 donation is suggested, which will be shared between Beth and OIDA.
