

Orchid Isle Dog Agility
Minutes From the Annual General Meeting
Sunday, January 19, 2020
At the Kukini Agility Field, Mountain View HI

This meeting preceded the Fun Run/Video Trial. The meeting started at 8:15am.

Renee introduced the OIDA Board for 2020:

- President – Renee Elliott
- Vice-President – Sean Fendt
- Treasurer – Sandy Leggett
- Secretary – Mary Jo Stevenson Fullen
- At Large – Pattie Cook, Linda Deehr, Marchand Green

All board members were present except for the Secretary, Mary Jo.

Renee discussed the recent NADAC Trial and workshop that happened in November, and reported on the status of the upcoming OneMind Dogs Seminar in February.

Sandy briefly outlined the Club's finances – the finances are stable with income from Fun Runs making up for losses at trials and workshops.

Renee introduced Teri Rolph, owner and trainer of Pawsitive Pals Plus. Teri is a certified trainer who recently moved to the Big Island. Teri was at the field to meet some of the agility community and describe the work she does with dogs.

The meeting adjourned at 8:30am. Five classes were run as a Video Trial run or for fun.

I certify these minutes to be true and correct.
